- 257 Eucharistic Miracle Ettiswil  
1447 - a woman stole a pix containing a big consecrated Host. The Host was found near a fence, thanks to a herd of pigs that wouldn't go further. The Host was divided into seven pieces: six were joined together so that they looked like a bright flower. The priest picked up the six sections, but when reaching for the seventh, it disappeared into the ground. A chapel was built on the spot.
